## Parent-Teacher-Student Communication

Parents, Well, this is the last full week of the school year. We have had lots of fun activities, projects, field trips, and educational experiences this year. Thanks to all of the parents who have helped to make this year possible. We could not have done it without you. This week our class will be finishing up our puppets. We will also be completing our gold rush simulation. Even though this is the last full week of school, encourage your child to do their homework and turn it in on time. Our last auction will be on Friday in the afternoon. Thanks to all who have donated items to this activity. If you have any other items you would like to donate (books, games, toys, stuffed animals, etc) please send them in by Friday. Remember that the play "How the West Was Really Won" will be on Thursday, June 4th at 6:30 pm. Hope to see you there. The last day of school will be on Wednesday June 10. Next week all three days will be minimum days, so pick your child up by 12:45. Have a wonderful summer. Encourage your children to read, read, read during the summer.

**Friday,  
June 5, 2009**
